IT'S MORE THAN JUST A WARRANTY, IT'S OUR COMMITMENT TO YOUR HEALTH AND SAFETY.

Our Sientra Platinum20 Warranty Program is the most comprehensive and longest of any breast implant manufacturer. Not only does it provide the most comprehensive protection and longest length of coverage, it also includes the most financial assistance and least amount of warranty restrictions in the industry.

SEE A COMMITMENT TO

your safety

SIENTRA IMPLANTS ARE CLINICALLY SHOWN TO HAVE LOW COMPLICATION RATES¹

LOW
capsular
contracture
rate*

CAPSULAR CONTRACTURE

A tightening/hardening of the scar tissue around the implant

LOWEST
rupture
rate*

IMPLANT RUPTURE

A hole or tear in the shell of the implant

LOWEST
reoperation
rate*

REOPERATION

Any additional surgery performed to the breast after the first breast implantation

* Primary augmentation and reconstruction cohorts

Any surgery carries inherent risks, and we take that very seriously. That's why we entrust your safety and satisfaction to only the most qualified surgeons in our industry. Replacement surgery must be performed by a board-certified or board-eligible plastic surgeon.

IMPORTANT SAFETY INFORMATION

Sientra's Silicone Gel Breast Implants are indicated for breast augmentation in women at least 22 years old and for breast reconstruction. Breast augmentation includes primary breast augmentation to increase the breast size, as well as revision surgery to correct or improve the result of primary breast augmentation surgery. Breast reconstruction includes primary reconstruction to replace breast tissue that has been removed due to cancer or trauma or that has failed to develop properly due to a severe breast abnormality. Breast reconstruction also includes revision surgery to correct or improve the results of a primary breast reconstruction surgery. Breast implant surgery is contraindicated in women with active infection anywhere in their bodies, with existing cancer or pre-cancer of their breast who have not received adequate treatment for those conditions and, who are pregnant or nursing. Key complications include capsular contracture, implant removal, rupture and reoperation. For more detailed information about the risks and benefits of Sientra breast implants, please visit sientra.com/resources or call Sientra at 888.708.0808. Sientra breast implants with high-strength cohesive silicone gel are only available through board-certified or board-eligible plastic surgeons. The sale and distribution of this device is restricted to users and/or user facilities that provide information to patients about the risks and benefits of this device in the form and manner specified in the approved labeling provided by Sientra, Inc.

You are automatically enrolled in the Sientra Platinum20™ Warranty Program when you choose Sientra breast implants on or after May 1, 2018.
